chords: E G#m B

melody: Part 1: G# F# A G# Part 2: C# D# E

heavy knocks upon my doorway  
there's no way the deadbolts can stay  
you might knock right through

heavy steps upon my ceiling  
there's no thinking, there's no feeling  
you might fall right through

heavy hits upon my forehead  
there's no rest there's no warm bed  
you might break right through
