(Aaron Strumpel, CCLI Registered, Re-recording licenses at entertheworshipcircle.com)

Standard Tuning. Capo V

E7 - C#7 - Bm4 - D/F# (same throughout song!)

(vs. 1) My hope is not beyond the dust of Your feet

My hope is not beyond the tears that You bleed

My hope is not beyond the fold of Your robe

Cause Your touch, it heals me, Your touch, it heals me

Cause Your touch, it heals me, when I'm hardest to hold

(pre-ch.) It's You who burns me from my head to my heart

It's You who loves me when I'm stubborn and I'm hard

(ch.) How great Thou Art

How great Thou Art

(vs. 2) My hope is not beyond the dark in Your eyes

My hope is not beyond the smell of Your hair

My hope is not beyond the rough of Your skin

Cause Your touch, it heals me, Your touch, it heals me

Your touch, it heals me, when I'm hardest to hold
