Vespers III & IV - Aaron Strumpel

## Em-D-C-D

Comforter

You come to me  
You hold me close  
You set me free  
You are the one  
That I have been  
Waiting for

Deliverer

You rescue me  
You spilled your blood  
Up on a tree  
You are the one  
That I have been  
Waiting for

Creator

You formed my frame  
You made me well  
You number my days  
You are the one  
That I have been  
Waiting for

Oh the rocks/they will/cry out/to You  
With a voice/so strong/so pure/so true  
Telling stor/ies of/your maj/esty  
They have sung/they will sing/for centuries
