

Home On Your Heart

Aaron Strumpel :: bpm 105 :: Written for the adoption of 3 sisters :: From the album BIRDS

I'll draw my home on your heart
Brightest colors just to say who we are

I'll carve my name next to yours
Hold your hand it's how I know you aren't far

I'm yours, you're mine

I'll dance a circle round your heart
Watch you smile it's how I know who you are

I'll sing a song through our days
Hear you laugh it's how know you aren't far

I'm yours, you're mine
