

GIVE ME YOUR HAND

Words and Music by Aaron Strumpel :: Psalm 133 :: From the album BRIGHT STAR

V1 Give me your hand and we'll walk, walk down together
Lift up your hands and we'll sing, sing here together

CH How good it is to know you God
How lovely is... your Bride
How blessed we are... to have... each other
You hold us all close...by your side

V2 Come with me now and we'll dance, dance here together
Lift up your heart and we'll dream, dream here together

PRE-BR There's none too poor, too dirty, too broken
Too naked, too stupid, too drunken, to be

BR Thrown outside of his love, his arms are wide enough
He'll catch us up in his love, his heart is big enough
We're found inside of his love, his arms are wide enough
He'll catch us up in his love, His heart is big enough
