

IIIb. Buffalo Run

Vespers III & IV - Aaron Strumpel

D-C-G-C

I will see you
Coming round the bend
I will meet you
Oh sweet day to spend

And all the people we've loved will
Sing along
They'll
Come along
With us

Like an elephant race
We gotta shoot straight
Dry dirt underfoot
We can't stop and stay

Like birds en route
We gotta shoot straight
With a song to sing
We can't stop and stay

Like a buffalo run
We gotta shoot straight
Hot days in the sun
We can't stop and stay
