V.1 A thought went through my head, rejection and worry
 I was afraid you'd turned away
 A thought went through my head, You're done with your mercy
 I was afraid you'd turned away

CH. I remember the day you called my name, You said I was your child
 I remember the day you wrote the words, You wrote the book of Love
 I remember your deeds, oh Dad, my God, I think I'll trust in you

V.2 A thought went through my head, You were crazy in love
 I was amazed it was me
 A thought went through my head, You were head over heels
 I was amazed it was me

END: Doves you send to fly over head
 My son, I am so well pleased
