

# Ia. Used To

Vespers I & II - Aaron Strumpel

Won't you talk to me, like you used to  
Like you used to, when I was young  
Won't you dream with me, like you used to  
Like you used to, when I was young

And my joy, it's gone now  
With my laughter, with my smile  
And my hope, it's fleeing  
Like it hates me, like it knows my thoughts

But I wanna be with you  
I wanna be close to you  
I gotta be near you  
Once again
