

Ic. Bright Star

Vespers I & II - Aaron Strumpel

capo 6: C-G-F-C (standard: F#-C#-B-F#) (capo2: E-B-A-E)

vs1 Hope is a bright star, my eyes are set upon
And the rest of the night sky will wait upon my dawn
I'm not sad anymore, my eyes are on you

Joy is a tall tree, my sights are set upon
And the rest of the forest will wait until I'm strong
I'm not sad anymore, my eyes are on you

ch I will lift my head, so I can see, I will lift my heart, to you
I will set my eyes, on you alone, I will set my gaze, on you

vs2 Peace is a deep sea, my thoughts are soaking in
And the rest of the waters will fill me to the brim
I'm not sad anymore, my eyes are on you

Love is a mountain, my dreams are resting on
And the rest of the earth will rise to sing my song
I'm not sad anymore, my eyes are on you

br Why were you so downcast oh my
Soul why would you be so sad
Put your hope in him and sing his song
Lift your eyes your hands your heart so strong
