

Undone

(Aaron Strumpel, CCLI Registered, Re-recording licenses at entertheworshipcircle.com)

I used an open G tuning with a normal acoustic for this song. Open GTuning is: D, G, D, G, G, D.
This song doesn't exactly have chords. Just find the melody on your middle D string - I go to octaves at the end, oh, and I do have a few chords on the 'and i sing part.' They're below:

(vs. 1) I refused to speak, I refused to see
Even when I felt, the weight of Your hand
Undone by the heat, Undone in my will
And you broke my heart

(ch.) I cried Love will You come, and lift me above
Cause I can't hardly breathe, just to think of Your love
Will You take me away, and sing in my ear
Songs that save

(vs. 2) My bones are broke. my mind is gone
Just a passing mist, I've become
Undone in my sin, Undone in my will
And You broke my heart

(vs. 3) They call me Blessed, it's the name that You gave
I am Your child, that You stole from the grave

1 - 2 - 3

And I sing!
